### From our General Manager:

As Summer cools down, things are heating up at Chen Chow.

Happy Hour at Chen Chow. Every Monday—Friday from 4pm to 7pm the Onyx Lounge is the place to unwind after a hard days work or meet up with friends for a drink before dinner. Come out and enjoy some great libations from our amazing bartenders along with the freshest sushi and appetizers at discounted prices.

Join us Wednesday, September 21 for our winemakers dinner featuring New Zealand's **Villa Maria Winery**. Winemaker Murray Cook will be our distinguished guest as we taste his reserve and single vineyard wines paired with the culinary creations of Chef Benjamin and his team. This is definitely an evening that CANNOT be missed! The cost for this event is \$70pp. Please call 248.594.2469 to reserve your space today.

Beginning in October we are excited to launch a new monthly series featuring events around our favorite things— great food and libations!!! October's inaugural event will be held in the Onyx Lounge and will feature a selection of Asian and Japanese beers expertly paired by Chef Benjamin and his team. Stay tuned for additional details!

Tired of having to come up with creative, gourmet dinners in between soccer practice and dance class? Worn out after a long day at work and dreading the notion of "whipping something up"? Let us do the heavy lifting for you...Chef Benjamin has created a special Chen Chow To Go menu featuring items that are easy to carry out at your convenience. Next time you join us for dinner, be sure to pick up a new menu from the hostess. Remember, we are just a phone call away 248.594.2469.

Bon Appétit,

Tracy J. Wilson, General Manager
